Add up the total number of questions to which you answered "Yes" and write your score:

Score: _____

| | |
|----------|-----------------------|
| 42 – 47 | Superior Study Habits |
| 36 – 41 | Good Study Habits |
| 29 – 35 | Average Study Habits |
| Below 28 | Needs Improvement |

Look over each of your responses and analyze your study strategy strengths and weaknesses. Your "Yes" responses indicate study strategies you are already using that are working well for you. "No" or "Sometimes" answers indicate strategies in which you should consider improving your skills. Many "No" or "Sometimes" answers under one heading indicate an area where you should focus most of your attention for improvement.
